Sarah Peterson

412-913-5895 | sarahmasonpeterson@gmail.com | github.com/sarahpeterson | sarahpeterson.dev

As a Developer with experience in React, React Native, HTML, CSS and a passion for efficient design, Sarah takes the time to get to know a client, their requirements, and their end goal. She enjoys carefully organizing wireframes and questioning how users will think when using an app.

EXPERIENCE

NuRelm, Pittsburgh, PA - *Developer*
July 2017-present

- Lead developer for 6 app builds in React Native. Created reusable components and implemented client designs.
- Project Manager for 6 React Native apps. Lead meetings with clients to understand needs, created wireframes, designs and organized development work.
- Wordpress Developer for landing pages in PHP, SASS, and HTML. Implemented responsive and mobile first designs.
- React development team member for NuRelm's redesign. Wrote front end styling.

Three Rivers Rowing Association, Pittsburgh, PA - *Executive Assistant*
October 2015-February 2017

Membership management of over 400 members and associated dues, tracked ten different programs, their participants, schedules and payments.

Nine Mile Run Watershed Association, Pittsburgh, PA - *Communications Program Assistant*
January 2013-August 2015

Volunteer/events coordinator and social media manager for the Clean Rivers Campaign and NMRWA.

SKILLS

Proficient in React Native, Redux, Wordpress, HTML, CSS, SASS, Salesforce, Program Management, Client Relations

PROJECTS

NuRelm Client Mobile App - *2020*
Project Manager & Lead Developer

Built using React Native, Redux & Redux Persist. Previous app build was translated in a new language. Used internationalization best practices to translate the app between English and Hebrew.

NuRelm Client Tablet App - *2019*
Project Manager & Lead Developer

Built using React Native, Redux & Redux Persist. Per client preference, no backend was used. Redux Persist setup saved all data locally.

NuRelm Client Mobile App - *2018*
Project Manager & Lead Developer

Built in React Native for cross-platform use. Created React Native components and navigation from designs and client ideas. Established custom framework with reusable buttons, colors, and fonts.

EDUCATION

Academy Pittsburgh Bootcamp, Pittsburgh, PA - *Full Stack Web Development*

University of Dayton, Dayton, OH - *Masters of Public Administration*

University of Dayton, Dayton, OH - *BA in Sociology*
- Graduated Cum Laude
- Dean's List Designation
